This is a decision on the petition to revive under 37 CFR 1.137(b), filed October 29, 2006.

The petition under 37 CFR 1.137(b) is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled, "Renewed Petition under 37 CFR 1.137(b)." No fee is required for a renewed petition.

The above-identified application became abandoned for failure to timely file a **proper** response to the final Office action mailed January 26, 2005, which set a shortened statutory period for reply of three (3) months. On March 27, 2005, applicant filed an amendment. However, by Advisory Action mailed April 22, 2005, the examiner informed applicant that the amendment would not be entered because it failed to place the application in condition

for allowance. Applicant filed another amendment on May 15, 2005, made timely by obtaining a two month extension of time on May 26, 2005. However, the amendment also failed to place the application in condition for allowance. No further proper response having been received, the application became abandoned on June 27, 2005. A courtesy Notice of Abandonment was mailed on May 24, 2006. Applicant filed a petition to withdraw the holding of abandonment on July 20, 2006. However, the petition was dismissed in a decision mailed on August 14, 2006.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the reply required to the outstanding Office action or notice, unless previously filed; (2) the petition fee set forth in 37 CFR 1.17(m); currently \$750, (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(d).

The instant petition lacks item (2), the required reply. The amendment submitted with the petition (the amendment filed May 15, 2005) does not place the application in condition for allowance.

On renewed petition, petitioner must submit a proper reply in response to the final Office action mailed January 26, 2005. The proposed reply to a final Office action required for consideration of a petition to revive must be either (1) a Notice of Appeal (and fee required by law); (2) an amendment that *prima facie* places the application in condition for allowance; (3) the filing of a continuing application under 37 CFR 1.53(b) or if applicable, 1.53(d); or (4) a request for a continuing examination (RCE) under 37 CFR 1.114.
